4. IRCTC reserves the right to reject any/all E-tenders without assigning any reason.

5. The Notice Inviting Tender (NIT), Instructions to Bidders, Special Conditions of Contract (SCC), E-Tender Schedule, General Conditions of Contract (GCC) shall form part of the Tender Documents.

For Indian Railway Catering and Tourism Corporation Limited

(Suresh Kumar Sharma)
GGM/Services

SECTION – II: INSTRUCTIONS TO BIDDER

Indian Railway Catering and Tourism Corporation Limited (referred to as 'IRCTC') proposes the selection of a Technology Service Provider (TSP) for the development, deployment, operation, upgrading, and ad monetization of AI-based chatbot/WhatsApp solutions for IRCTC services under the terms and conditions prescribed in the tender document.

1. GENERAL

a) This E-Tender Document can only be viewed at http://www.irctc.com and https://www.tenderwizard.com/IRCTC, and will be **submitted/received online at** https://www.tenderwizard.com/IRCTC only. No Physical offer will be received.

b) To participate in the E-Tender, it is mandatory for the bidders to register themselves with Tender Wizard without any payment on the website https://www.tenderwizard.com/IRCTC. It may be noted that **Class-III Digital Signature is required for submission of the bid**. A detailed procedure for bidding is placed at https://www.tenderwizard.com/IRCTC.

c) Corrigendum/Addendum to this tender, if any, shall be published on website www.irctc.com andwww.tenderwizard.com/IRCTC.No Newspaper/press advertisements shall be issued for the same.

d) The bidder should upload complete set of all required documents as mentioned in this tender document.

e) For any difficulty in downloading & submission of tender document at website www.tenderwizard.com/IRCTC,please contact helpdesk no. 011-49424365, 8800115628/08076206940.

f) The digital signature of the bidder on the E- tender form shall be considered as confirmation that the bidder has read, understood and accepted all the documents referred to in the tender documents. If nay clarification is required by the bidder, the same should be obtained by the time of Pre-bid meeting.

g) The intending bidders are advised to study e-tender conditions of the tender and make themselves conversant with their contents as these govern this agreement and shall form integral party thereof.

h) Bidder should take the overall project into consideration while preparing their offers against this Tender.

i) Validity of Bid (120 days from the last date of submission of bids).

j) **This tender is a "No Deviation Bid"**

A. BID DOCUMENT PART-I: SPECIAL CONDITIONS OF CONTRACT (SCC)

The Special Conditions of Contract (SCC) as laid down in Bid Document Part-I override the terms laid down in the GCC (Bid Document Part-III). All terms and conditions not specifically mentioned in the SCC shall be as laid down in the GCC.

Scope of Work, Instruction to bidder and Special Conditions of Contract (SCC)

1. ABOUT CHATBOT ASKDISHA

Indian Railway Catering and Tourism Corporation Ltd. (IRCTC), a Government of India enterprise under the Ministry of Railways, is committed to enhancing digital customer engagement and **UI/UX** by leveraging cutting-edge, advancing AI-driven technologies. As part of this initiative, IRCTC launched *AskDisha* (Digital Interaction to Seek Help Anytime)—an AI-powered chatbot that offers real-time assistance for a wide range of railway-related queries.

To further enhance its digital service delivery and ensure seamless customer interaction, IRCTC intends to engage a qualified **Technology Service Provider (TSP)** to develop and operate an advanced AI-powered chatbot capable of supporting voice and text-based ticketing and related assistance services. The solution should provide personalized, multilingual, conversational experiences across digital channels, including chatbots, Whatsapp, and any other channels as per requirement.

2. OBJECTIVES OF THE TENDER

- Implement a conversational voice and text chat-based solution (Chatbot and WhatsApp Bot) (voice and text) that enables end-to-end customer enquiry support and ticket booking for IRCTC users on its Website & Mobile App.
- To provide multi-language conversational capabilities with high accuracy and regional language support.
- To enhance user experience and showcase the use of advanced technologies such as Generative AI and Agentic AI for intelligent, human-like interactions and assistance.
- To develop a revenue-generating platform through in-chat advertisements and applicable service charges.

- To ensure robust data privacy and cybersecurity measures in full compliance with relevant regulations and best practices in adherence and compliance with upcoming DPDP guidelines.
- To enable IRCTC to offer the chatbot/WhatsApp bot solution as a service to third-party clients and partners using the required customizations.
- To ensure smooth knowledge transfer and seamless migration of services to IRCTC at the end of the contract period, without any disruption to ongoing operations.

3. SCOPE OF WORK

3.1 The Bidder shall design, develop, deploy, and maintain a chatbot/WhatsApp bot solution for IRCTC's business verticals, including the e-ticketing website, Rail Connect app, and IRCTC Travel/tourism web and app. The solution must follow modern development practices and be capable of auto-answering user queries, assisting with bookings, and providing IRCTC/Railway-related information, ensuring a seamless and user-friendly experience across platforms.

3.2 The Bidder shall develop and maintain an advanced and evolving AI-based chatbot/WhatsApp bot with the following capabilities:

3.2.1 Booking & Enquiry Services

The chatbot shall:

i. Facilitate train ticket bookings via the chatbot interface (including IRCTC ticketing services).
ii. Provide real-time responses for key enquiry services, including:
    a. PNR Status
    b. Fare Enquiry
    c. Seat Availability
    d. Train Schedule
    e. Source–Destination Information
    f. Live Train Running Status
    g. Cluster Station List

3.2.2 Multi-Modal Interaction Support

The chatbot shall:

- Support both voice-based and text-based interactions through:
    - Speech-to-Text (STT) and Text-to-Speech (TTS) technologies.
    - Web, mobile, and other digital platforms of IRCTC.

3.2.3 Multilingual Capability

The chatbot shall:

- Support communication in at least 12 Indian languages in phases, including: English, Hindi, Tamil, Telugu, Kannada, Bengali, Marathi, Gujarati, Malayalam, Punjabi, Odia, and Assamese. It should start with English and Hindi and progressively incorporate other languages in phases to cover all languages within a year of go live.
- Enable real-time language detection and dynamic switching based on user inputs.

3.2.4 Omnichannel Deployment

The solution shall:

- Deployable on the IRCTC website, mobile app, and WhatsApp.
- Ensures a consistent user experience across all platforms.
- Maintains conversation history and functionality seamlessly across channels.

3.2.5 Conversational AI Interface

The solution shall capable of:

- Interpreting imprecise, colloquial, or grammatically incorrect queries and inputs with incorrect spellings.
- Maintaining context across multi-turn dialogues
- Adapting to user behavior and preferences in real time

3.2.6 Advanced AI Integration

The Bidder shall ensure integration of Generative AI and capabilities to provide Agentic AI for enhanced, intelligent, and proactive user experiences providing multiple services.

3.2.7 Generative AI Capabilities

The solution must support:

- Natural Conversations**:** Engage users in human-like dialogues.
- Dynamic Query Handling**:** Address complex, multi-intent, context-rich queries.
- Content Personalization: Tailor responses based on user behavior, preferences, and history.
- Context Memory**:** Retain conversation history across sessions to enable personalized interactions.

3.2.8 Agentic AI Capabilities

The solution must have capabilities to enable:

- Proactive Assistance: Notify users of fare drops, alternate options, or better travel suggestions.
- Goal-Oriented Task Execution: Handle broad user intents (e.g., “I want to attend a conference in Mumbai next month”) with stepwise booking and reminders.
- Intelligent Cross-Selling: Recommend meals, cabs, hotels, and other services contextually.
- Agentic Journey Mapping: Enable one-click guided bookings based on user profile, preferences, and consent.
- Video Bot Assistance: Integrate AI-powered video bot capabilities to deliver interactive, human-like guidance via video interfaces for key use cases such as ticket booking assistance, itinerary explanation, or promotional campaigns.

3.2.9 Customer Experience Focus

The chatbot must have capabilities to provide:

- Personalized Travel Concierge experience.
- Reduced User Effort via simple commands (e.g., “Book me a sleeper ticket to Delhi tomorrow evening”).
- Multi-turn Conversations maintaining session context for back-and-forth engagement.

3.2.9.1 Intelligent Data Handling & Customized Solutions

The chatbot shall include capabilities for:

- Data Aggregation from internal (train, fare, seat) and external (hotels, weather, events, transport) sources from IRCTC or its partner platforms.
- User Intent & Preference Mapping using LLMs based on travel behavior, class preference, etc.
- Custom Itinerary Generation combining train, hotel, cab, and meal bookings.
- Contextual Option Presentation personalized to user preferences like budget, speed, luxury.
- Dynamic Replanning in case of disruptions (delays/cancellations) with real-time alternate suggestions.

3.2.10 Sample Chatbot Conversation Demo Including Customized Solutions

Voice Input + Customized Solution (IRCTC Use Case)

Voice-AI enabled, Hindi language support, GenAI for planning & orchestration

User Input (Voice in Hindi):
"Mujhe Friday Delhi se Mumbai sleeper class ticket chahiye, shaam ka time ho."

Chatbot Process:

- Extracts details: Route, Date, Time, Class
- Fetches train availability + past user behavior
- Presents 3 personalized options (e.g., Rajdhani, August Kranti, Garib Rath)

Train	*Departure*	*Arrival*	*Price*	*Special Note*
Rajdhani Express	4:30 PM	6:30 AM	₹2200	Fastest, Meals Included
August Kranti	5:20 PM	7:00 AM	₹1900	Good Punctuality
GaribRath	6:00 PM	7:30 AM	₹1400	Budget-Friendly

User Selection:
"Garib Rath book karo."

Chatbot Upsell:
"Hotel, cab aur pickup package bhi banasaktahoon. Dekhna chahenge?"

Further Booking:

- Hotel: City Park (₹2800), Cozy Stay (₹1800)
- Cab: ₹250 Sedan from station to hotel

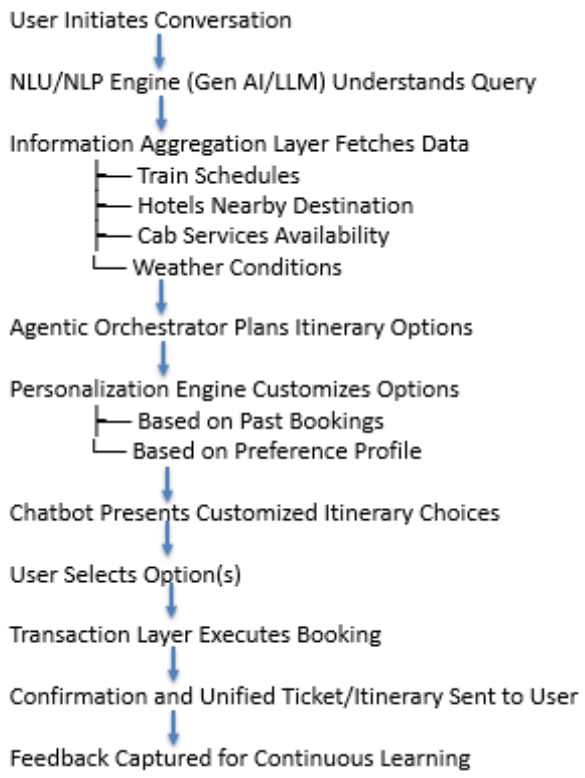
Cross-service Aggregation & Suggestion
Combines hotel APIs, cab services, user check-in time, etc

User Selection:
"*Hotel City Park aur cab dono book karo."*

Final Output:
Unified itinerary sent via **WhatsApp/Email** including train, hotel, and cab with dynamic PDF download, cancellation, and feedback options.

Feature	**Technology Used**
Multi-source Data Gathering	Generative AI
User Preference Understanding	LLM Context Analysis/ Sovereign LLM
Customized Package Creation	Agentic AI
Unified Journey Confirmation	Agentic Action Orchestration

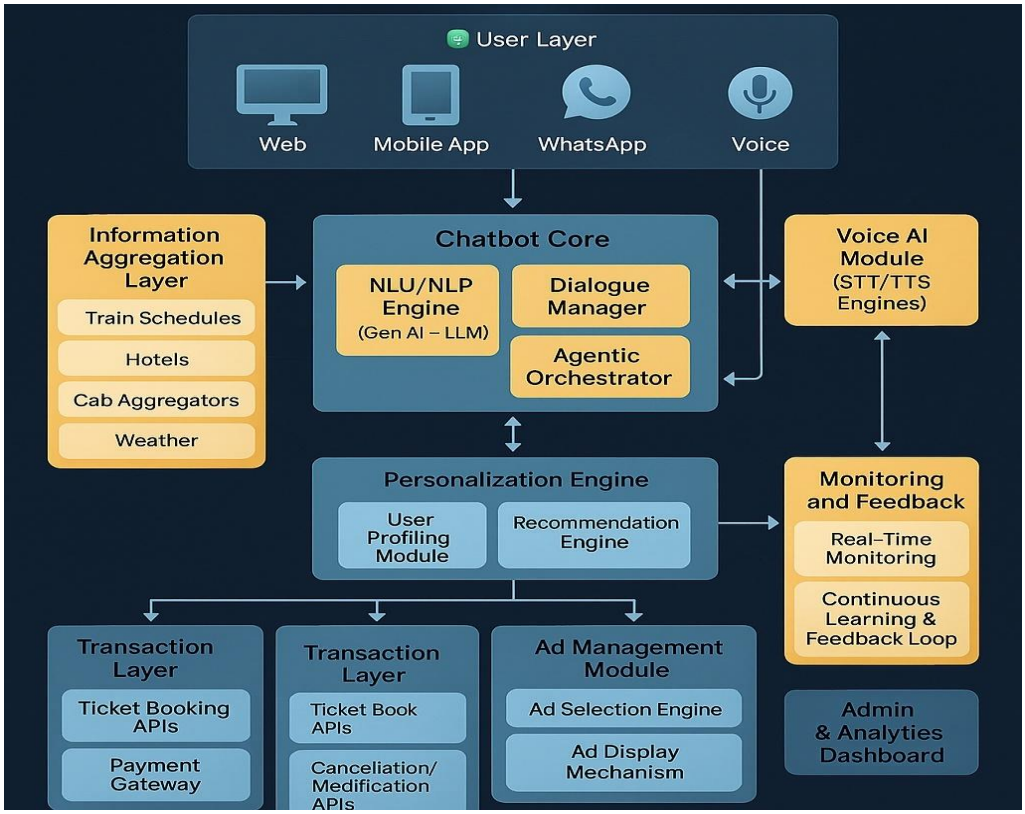
3.2.11 Process Flow Diagram for chatbot Driven Customized Travel Solutions Creation



Key Highlights of Process:

Step	Capability Used
Query Understanding	Gen AI + LLM
Multi-source Data Gathering	Information Aggregation Layer
Smart Planning	Agentic AI
Personalized Presentation	AI-based Recommendation Engine
Transaction Execution	API-driven Booking
Learning and Improvement	Monitoring + Feedback Loops

3.2.12 Conceptual Architecture



3.3 All checks and validations implemented for e-ticket booking by the user on IRCTC Website and Mobile Apps will be equally applicable for the tickets booked through Chatbot.

3.4 Chatbot shall be compatible for visually impaired users

3.5 The chatbot on both the website and mobile application shall be accessible via a collapsible icon, which expands into an interactive chat interface upon user interaction and collapses back when minimized

3.6 The bidder shall ensure full compliance with all applicable laws of India, including guidelines issued by the Ministry of Railways, IRCTC, and relevant regulatory bodies, as amended from time to time.

3.7 Redirection to third-party sites or apps is prohibited unless explicitly approved by IRCTC. API usage must comply with IRCTC's domain whitelisting and access control policies

3.8 Payment integration for e-ticket bookings and other IRCTC services on IRCTC platforms shall primarily be carried out through banks integrated under the RDS (Rolling Deposit System). However, IRCTC reserves the right, at its sole discretion, to integrate chatbot based booking with its in-house payment gateway, iPay.

3.9 <u>WhatsApp Bot-</u>

3.9.1 Procurement of Mobile number for implementation of verified WhatsApp Business API Profile of IRCTC. The Mobile number should be easily memorable and accessible to consumers through all the telecom Operators across the state 24*7.

3.9.2 The Mobile Number (or any code) procured for implementation of verified WhatsApp Business API Profile of IRCTC will be the property of IRCTC. In case of expiry or termination of contract due to any reason, the bidder shall surrender the MN to IRCTC or its authorized vendor. The bidder shall also provide necessary support and required documentation (like NOC etc.) during the transfer/surrender of MN to IRCTC or its authorized vendor, if the situation may arise in the future.

3.9.3 The bidder shall obtain necessary approvals from Meta, TRAI, and relevant authorities for message templates and formats.

3.9.4 The user experience and indicative process flow given for chatbot will be followed by this channel also

3.10 Chatbot/WhatsApp bot Advertisement

3.10.1 The successful bidder(TSP) shall be responsible for enabling contextually relevant, non-intrusive digital advertisements through the chatbot/whatsapp interface, subject to prior approval by IRCTC.

3.10.2 Ads must be non-intrusive, text or banner-based, and contextually tied to user queries (e.g., travel insurance, nearby hotels, food services) to the extent possible.

3.10.3 Ads shall be visible only within IRCTC-approved chatbot/whatsapp flows.

3.10.4 Ads must be free from objectionable content, third-party tracking scripts, or unauthorised links.

3.10.5 Chatbot icon will have a cross button/minimize or hide button so that it can be changed as per user convenience.

3.10.6 Upon clicking the commercial /informative link, it may be redirected to specified URL (if applicable).

3.10.7 If there are no commercial ads running on chatbot/WhatsApp bot, then IRCTC in house ads will run as back fill on Chatbot/WhatsApp bot Ads location

3.10.8 **Blocked Categories**: Bidder has to ensure to restrict blocked Ad categories / content / segment. Violation of any of the terms & conditions of this Agreement or if at any point of time, the name of IRCTC gets tarnished due to any issue on Chatbot services, then, the chatbot/WhatsApp bot services may be made offline and the Security Deposit and quarterly advance payment may be forfeited. (Annexure III) Ads of brands competing with IRCTC should not be displayed without IRCTC's permission.

3.11 Value Added Services – Other projects related to Chatbot domain like integrate similar chatbot and WhatsApp booking for air booking, tourism booking including Hotels, Flights, Buses, Tour Packages, Retiring Rooms, video bot, or travel insurance integration, Promotion of Premium E-Catering Services, RCS enquiry, email and SMS, Cross-Selling and Upselling etc., can be assigned to the successful bidder during the contract period. The revenue sharing for value added services will also be at 70:30 % (70 % to IRCTC :30% to Bidder)

3.12 IRCTC Co-Branded Co-Sell/Cross-Selling Chatbot- The Successful Bidder shall responsible for Co-Branding (Cross-Selling) model with IRCTC for "Ask Disha" conversational AI driven platform (Chatbot/WhatsApp bot), which may be offered to different Government and Private organizations on sole discretion of IRCTC

3.12.1 Co-Selling / Cross-Selling a Co-Branded Conversational AI Platform to cater to queries, transactions, information dissemination, and feedback services across various organizations

3.12.2 The scope of Co-Selling activities shall be excluded from the present Scope of Work and will be governed under a separate arrangement or agreement to be executed between IRCTC and the selected bidder. Under that separate arrangement, specific payment terms, revenue sharing models, and other terms and conditions related to the Co-Selling model shall be clearly defined.

3.12.3 Under this co-selling model, IRCTC will use its branding and will enter into direct agreement with the organization. Further the entire infrastructure, cloud, ad network, AI cost is borne by successful bidder only.

3.13 SALES-DRIVEN REVENUE ENHANCEMENT

The chatbot solution shall be capable of generating revenue through sales without incurring additional expenditure for IRCTC and without compromising the user experience. All monetization features must be seamlessly integrated into the conversation flow in a non-intrusive and user-friendly manner by the bidder.

3.13.1 Chatbot/WhatsApp Bot Digital Ad Monetization

1) The Successful Bidder shall be responsible for monetizing the Chatbot/WhatsApp Bot services and sharing the generated revenues with IRCTC. In addition to providing the technical platform and solution, the Bidder shall actively attract a substantial volume of advertisements to enhance ad revenue through the IRCTC Chatbot/WhatsApp Bot interface, which is compatible with the primary objective of improving the user experience.
2) Chatbot and WhatsApp icon shall be displayed on the IRCTC Website /Mobile App on multiple platforms in a non-intrusive and aesthetic manner. Once the chatbot bot

icon is clicked, the promotional banner/ad spaces shall be displayed inside chatbot window.

3) The chatbot window may have ad space for promotion banners as per the standard size which are currently as 300*250 and 320*50 for app inside the chatbot window. However, without disturbing the UI/UX of main flow of the booking.
4) Chatbot icon may have the size of 130*130 for website.
5) In case if any commercial campaign is passed on by IRCTC to the bidder, the revenue share will be in the ratio on 70:30 (70% to IRCTC and 30% to Vendor). Revenue earned due to such business will not count towards Minimum Business Commitment Value.

3.13.2 IRCTC Ticket Booking Monetization

1) Service Fee for E-Ticket Booking
   - An additional fee of **₹10/- per chatbot and WhatsApp-initiated ticket booking** shall be levied on the customer where booking is done through Chatbot based solution.
2) Revenue Sharing Arrangement
   - 70% share to IRCTC
   - 30% share to the Successful Bidder/Technology Service Provider (TSP)
   - The above share is subject to the Minimum committed amount
3) Total revenue shall be computed as the sum of:
   - Revenue from actual e-ticket bookings made via the Chatbot and WhatsApp Bot (as recorded in IRCTC's internal databases), plus
   - Advertisement revenue data, as maintained and reported by the successful bidder.

For Example: If the revenue from Advertisement is Rs. 10,00,000/- for the quarter and 1,00,000 tickets has been booked in the quarter in that scenario. IRCTC shall raise invoice for the quarter

Revenue Share calculation(If revenue is more than Total Minimum Business Guarantee)		
SN	**Particular**	**Amount**
1	Total Advertisement revenue for the quarter(A)	1000000
2	Total revenue from 100000 Ticket Booking in the quarter(B)	1000000
3	Total Revenue(C=A+B)	2000000
	IRCTC Share D=C*70%	1400000

If IRCTC share is more than the quoted Minimum Business Guarantee than IRCTC will raise the invoice for the higher value else IRCTC raise the invoice for the Total Minimum Business Guarantee.

The bidder shall be responsible for developing and maintaining an integrated dashboard that consolidates both data streams. This dashboard must:

- Provide IRCTC with real-time, seamless access to booking and ad revenue data.
- Facilitate transparent and accurate revenue tracking.
- Include features for data visualization, report generation, and audit trail support.
- IRCTC will conduct audit of the system on itself or through external agencies.

3.14 IT Security, Data Privacy, and Compliance

3.14.1 Ownership and Custody

- All customer data generated or processed through the chatbot shall remain the exclusive property of IRCTC.
- Bidder/TSP shall have no ownership or retention rights over customer data.

3.14.2 Usage Restriction

- Bidder to ensure that customer interaction data shall not be used for external model training, marketing, or profiting.

3.14.3 Model Decommissioning

- Bidder to ensure full deletion of chatbot models and associated customer datasets post-contract.

3.14.4 Hosting Standards:

- Bidder/TSP shall ensure the Data hosting is within India with IRCTC-approved hosting arrangements.

3.14.5 Regulatory Compliance:

The successful bidder/TSP must ensure full compliance with the following:

- CERT-IN Guidelines (Govt. of India)
- IRCTC's Information Security and Privacy Policies
- Digital Personal Data Protection (DPDP) Act, 2023
- International best practices, including data encryption, secure transmission, and access control protocols.

3.15 REPORTING AND MONITORING

The Bidder (TSP) shall provide a dashboard for the reporting and monitoring. Also ensure robust, transparent, and timely reporting mechanisms to support ongoing performance evaluation, compliance, and strategic oversight by IRCTC.

The following reports shall be submitted at the agreed frequency and report Format

- Booking Summary Report- Total number of bookings completed via chatbot.
- Advertisement Performance Report- Impressions, Click-Through Rates (CTR), revenue earned, and ad category breakdown.
- Language-wise Interaction Report- Volume and nature of user interactions segmented by supported languages.
- SLA Compliance Report- System uptime, response time, error rate, system logs, bot logs and adherence to committed Service Level Agreements.
- Data Privacy & Security Audit Report- Quarterly report covering data handling practices, access logs, model usage audit, and privacy compliance status.

4. KEY DELIVERABLES AND BENCHMARKS BY THE BIDDER

a) Deployment of a fully functional, IRCTC-branded AI-powered chatbot/WhatsApp bot across specified channels.
b) Comprehensive end-to-end API integration with IRCTC's backend systems for seamless data exchange and functionality.
c) Bidder will integrate IRCTC e-Ticketing application on Chatbot with no cost to IRCTC.
d) Bidder will not charge any License fee or software/Hardware /infrastructure cost to IRCTC
e) Support for multilingual conversational capabilities to cater to diverse user demographics.
f) Implementation of an ad monetization platform, including real-time analytics and reporting dashboard accessible to IRCTC.
g) Submission of detailed Data Security, Privacy, and Regulatory Compliance documentation in alignment with applicable standards and IRCTC requirements.
h) All SMS, Email communication with respect to chatbot booking will be managed by the bidder only.
i) Bidder will be responsible for all software works, integration, architecture and infrastructure required for running Chatbot and booking through Chatbot.
j) The cost of software and future development to be borne by the bidder and the software should support integration with all standard browsers and mobile apps.
k) Bidder needs to support different AD formats i.e. Banner, GIF, Display, Video(optional), Native etc.
l) IRCTC must have access to various reports in the platform and must be able to download the report in excel/csv formats.

m) A detailed service level agreement with NDA will be signed with the successful bidder after issuance of LOA with all terms and conditions governing the contract.

n) In order to ensure business transparency, IRCTC will have the right to conduct audit of the Bidder System

o) IRCTC's logo should not be used in any form by bidder (Print/Media/Stationery/Advertisements etc.) without prior written approval of IRCTC.

p) Bidder has to provide escalation matrix for handling issues.

5. KEY DELIVERABLES BY THE IRCTC

5.1 API Integration Support - IRCTC shall provide the required Web Service APIs of the e-ticketing application to the successful bidder to enable Reserved Rail e-Ticketing services through the chatbot channel, accessible via the IRCTC website (www.irctc.co.in) and IRCTC Rail Connect Mobile Apps (Android & iOS).

5.2 All the customer complaints or queries will be handled by IRCTC only; Successful bidder will clearly display the contact details on the E-ticketing pages.

5.3 IRCTC may promote AI based ticket booking through its chatbot based solution on its Travel/tourism website/ app on sole discretion of IRCTC.

5.4 IRCTC shall provide required FAQ's and railway related information from authentic sources for integration with Chabot's enquiry and related information. IRCTC will arrange API/interface with other portals to have information and ticketing services. The partner can bring in certain services on approval from IRCTC to provide additional services to make the product popular and increase visits.

6. CONTRACT PERIOD TERMS AND CONDITIONS

a) Tenure of Contract: The contract period for this tender will be for 3 Years which may be extended twice for a period of one year (One (1) year + One (1) Year) or part thereof on satisfactory performance and realization of revenue potential or any other criteria at the sole discretion of IRCTC.

b) IRCTC shall issue a Letter of Award (LOA) to the successful bidder. By acceptance of LOA within 15 days of issuance of LOA, the technical integration work shall be started. Subsequently, an agreement and NDA shall also be signed based on the terms provided in this Tender document

7. CONSORTIUM APPROACH

i. Considering the wide variety of skills and experience needed for the project, a group of Companies or organizations can form a Consortium and bid for this project.

ii. The number of consortium members cannot exceed two (2), including the Lead member.

iii. Prime/Lead Member must have a minimum of 51% stake in the contract value of project. Prime bidder will provide an undertaking along with Consortium agreement highlighting the stake of consortium member in the project. IRCTC may also validate it through various means. The Lead member should throughout the Contract Period, hold equity share capital not less than 51% (Fifty-one percent).

iv. In case of Consortium, the Consortium shall necessarily satisfy the Pre-Qualification criteria, as listed in the applicability column.

v. The Lead Member shall be the prime point of contact for IRCTC and shall be primarily responsible for the discharge and administration of all the obligations for this project. The consortium members will individually as well as jointly be responsible for successful execution of contract.

vi. In case of consortium, consortium members thereof should furnish a Power of Attorney in favour of the Prime/Lead member, authorizing to submit and sign the RFP response.

vii. The Prime Bidder shall be required to submit a joint bidding agreement between the consortium members for the RFP/contract. The Prime Bidder participating with consortium approach shall define the role of each consortium members in the RFP response clearly indicating their scope of work or responsibilities and relationship.

viii. No bidder applying individually or as a member of a Consortium, as the case may be, can be member of another bidder for the same RFP or any other project under the same RFP document. The term bidder used herein would apply to both a single entity and a Consortium. Participation by any company in more than one consortium will be considered a disqualification for all concerned consortium applying to this RFP bid.

ix. Sub-contracting is not allowed except for Cloud service provider.

x. MSMEs/ Start-up utilizing the relaxation applicable to MSMEs / Start-up in

Turnover criteria cannot enter into consortium approach after availing the benefit of relaxation. The consortium approach provisions are therefore not applicable to MSMEs / Start-up who are bidding with the relaxed criteria.

xi. General:

A bidder shall not have a conflict of interest that affects the bidding process. In the event of disqualification due to conflicts of interest, IRCTC shall be entitled to forfeit and appropriate the bid security and/ or performance security, as the case may be along with any remedy that may be available to IRCTC under the tender documents and/ or Contract agreement or otherwise. Without limiting the generality of the above, determining the Conflicts of interest shall be prerogative of IRCTC. Without limiting the generality of the above, a bidder shall be deemed to have conflicts of interest affecting the Bidding Process, if:

(a) The Bidder or its Member (or any constituent thereof) and any other Bidder or its Member (or any constituent thereof) have common controlling shareholders or other ownership interest, or

(b) A constituent of such Bidder is also a constituent of another Bidder, or

(c) Such Bidder or its Member thereof receives or has received any direct or indirect subsidy, grant, contractual loan or subordinated debt from any other Bidder or its Member, or has provided any such subsidy, grant, contractual loan or subordinated debt to any other Bidder or its Member thereof, or

(d) Such Bidder has the same legal representative for purposes of this Bid as any other Bidder, or

(e) Such Bidder has a relationship with another Bidder directly or through common third party/ parties, that puts either or both of them in a position to have access to each other's' information about, or to influence the Bid of either or each other; or

(f) Such Bidder or any Member thereof has participated as a consultant to IRCTC in the preparation of any documents, design or technical specifications of the Project.

8. EVALUATION OF BIDS

8.1 One or Two Packet System

This is a Quality cum Cost Based (QCBS) Two Packet Tender.

8.2 Contents of the Bid

Bidders should take the overall project schedule into consideration while preparing their offers against this tender. The specific information indicated against each section must be provided for a meaningful offer. Offers not containing the information sought might be considered unresponsive and become liable for rejection. The Bid prepared by the Bidder shall comprise of the following components:

i) Bidders need to provide all necessary information required to comply with bid security declaration requirement, eligibility and technical evaluation scoring criteria.
ii) Financial bid in the formats specified in the tender document.
iii) Any other information that is to be submitted during the bidding process and as appropriate as per the tender.

The bids must be submitted through online mode only. Offline offers submitted shall be summarily rejected.

8.3 Earnest Money Deposit

a) Bidders are required to deposit EMD of Rs.5,00,000/- (Rupees five Lakhs only). In case of non-submission of the said EMD, the bid will be summarily rejected.
b) The Earnest Money shall remain deposited with IRCTC for a period of 90 days from the date of opening of the Tender, or as extended further by bidder on request of IRCTC, from the date of opening of Tender.
c) No interest shall be payable by the Purchaser on the Earnest Money.
d) The Earnest Money deposited is liable to be forfeited if the bidder withdraws or amends, impairs or derogates from the tender in any respect within the period of validity of his offer. The Earnest Money of the successful bidder will be returned after the SD as required is furnished.
e) The Earnest Money of the successful bidder will be returned after the Security Deposit, as required, is furnished by them. For unsuccessful bidders, EMD will be returned after finalization of the tender.

8.4 Language of Proposals

The proposal and all correspondence and documents shall be written in English.

8.5 Tender Evaluation Process

a. IRCTC will constitute a Tender Evaluation Committee (TEC) to evaluate the responses of the Bidders. The Committee shall evaluate the responses to the tender and all supporting documents /documentary evidence. Inability to submit requisite supporting documents/documentary evidence, may lead to rejection. The evaluation process shall comprise of the following stages:

- Stage 1:
  - (a) Fulfilment of minimum eligibility qualification criteria would be considered as qualified for technical evaluation. Such bidders will be evaluated on QCBS basis in the next step in (b)
  - (b) Marking will be done as per the technical scoring criteria and who scores minimum 70 marks in QCBS in the technical scoring criteria will progress to the stage2.
- Stage 2:

  Financial bid opening and evaluation will be done for all those bidders who qualify the stage 1
- Stage 3:

  QCBS: - The bidder who emerges as H1 on combined technical and financial evaluation will be selected. The formula for QCBS with examples is given elsewhere for clarification.

b. In the event of the specified date of bid opening being declared a holiday for IRCTC, the bids shall be opened at the appointed time and location on the next working day.

c. The decision of the Committee on the evaluation of responses to the tender shall be final.

d. During evaluation of bids, IRCTC may, at its discretion, ask the bidder for a clarification of its bid including documents. The request for clarification and the response shall be made in writing. If the response to the clarification is not received before the expiration of the deadline prescribed in the request, IRCTC reserves the right to evaluate bids based on available documents which may also lead to rejection of the bid. The request for clarification and response shall be in writing, and no change in the price or substance of the tender shall be sought, offered or permitted. The bidder will not be permitted to make any changes substantially in the bid at the stage of clarification.

8.6 Eligibility Criteria

Following are the mandatory Eligibility Criteria for the bidder-

#	Parameter	Eligibility Criteria for the bidder	Credentials to be provided by the bidder	Applicability

1	Company Existence (Mandatory)	The bidder/consortium must fulfil all of the following: a) Bidder must be a Legal Entity i.e. Should be an organization registered under the provisions of the Indian Companies Act, 2013/ Companies Act, 1956 or a partnership firm registered under the Indian Partnership Act, 1936 or the Limited Liability Partnerships Act, 2008 or an organization registered under society Act. b) Registered with the Income Tax (PAN) and GST (GSTN) Authorities in India with active status c) Should have been operating for the last 5 years as on date of bid submission- (**Relaxed to 1.5 Years for MSE & Startups**) d) Should have at least one registered office in INDIA	• Certificate of Incorporation • Copy of PAN Card • Copy of GST registration certificate • Consortium agreement (if applicable) • Letter from Company Secretary/ Statutory Auditor* for operating business for last 5 years as on date of bid submission (**Relaxed to 1.5 Years for MSE & Startups**)	Sole bidder / Consortium all members
2	Bidder's information	The bidder should provide all the contact details (Mobile, email & address) of the company along with CEO contact details	a) Cover letter signed by an authorized signatory of the bidder b) Copy of Power of Attorney (PoA) OR Certified copy of Board Resolution (BR)	Sole bidder or prime/leading member of consortium
3	Financial Turnover	The average annual financial turnover of the bidder during the last three financial years	Annual Audited Financial Statements and CA Certificate, clearly	Sole bidder or Prime/Leading member of

		i.e. 2022-23, 2023-24 and 2024-25 must be at least Rs 5 **Cr** in Chatbot and Messaging based customer platform Services. **Relaxation for MSEs/Startup**: The average annual financial turnover of the bidder during the last three financial years i.e. and 2022-23, 2023-24 and 2024-25 must be at least Rs. 1.30 Cr.	mentioning the Annual Turnover for F.Y. 2022-23, and 2023-24; CA certificate for 2024-25. Note: In CA Certificate, UDIN Number is mandatory. CA Certificate without UDIN Number will not be considered.	consortium.
4	Relevant Project experience-Chatbot/ WhatsApp	The Bidder must meet the following cumulative experience criteria: a) Successfully developed, deployed, and operated at least one AI-driven chatbot or WhatsApp solution (based on Generative AI or Agentic AI) for ticketing, travel, or a major customer service platform. b) The chatbot solution must have handled a minimum 1 crore user queries annually.	• Work Order or Contract Agreement – Indicating development and deployment of the AI-driven chatbot (Gen AI/Agentic AI-based) for ticketing/travel/customer service. • Client Letter of completion /ongoing project – Confirming successful execution, chatbot usage volumes, and revenue details/ In case of ongoing project, the bidder should have achieved the relevant revenue requirement as on date of submission of bid. OR CA-certified statement or client certificate of chatbot handling at least	Sole bidder or any member of consortium

			1 crore queries annually.	
4	Monetization Experience through Ads	The bidder must have successfully executed a work for rendering and generating revenue through digital ads against **single work** of order value of average 1 Crore **annually** (Revenue generated through Digital advertisements) awarded to bidder in India in the last three (3) financial years (i.e. 2022-23, 2023-24 and 2024-2025) and till date OR Two works, each work having revenue generation of minimum of Rs. 80 lakhs annually through the above mentioned experience **Relaxation for MSEs/Startup:** The bidder must have successfully executed a similar work as mentioned above against single work of order value of Rs. 30 lakhs. OR Two works, each work having revenue generation of minimum of Rs. 24 lakhs through the above mentioned experience	Work Order or Contract Agreement- indicating revenue generation through digital ads. • Client Letter of completion /ongoing project – Confirming successful execution with revenue details/ In case of ongoing project, the bidder should have achieved the relevant revenue requirement as on date of submission of bid. Revenue Proof – CA-certified statement or client certificate clearly mentioning Revenue generated through Digital advertisements	Sole bidder or lead member of consortium
5	Language	Demonstrated experience with at least Three Indian	Proof of deployment such as screenshots, client	Sole bidder or any member of

	Capability	Languages (Hindi, English and any other in a live production environment.	certification, or relevant URLs with description	consortium
6	Certifications	• ISO 27001:2015 (for data security)	Copy of valid Certificates	Sole bidder or any member of consortium
7	No fraudulent practices or blacklisting (Mandatory)	The bidder should not be currently **blacklisted** or have appeared their name in the negative / black list of any public sector undertaking /Government organization from the last three (3) years to the date of opening of the bid for any breach of applicable laws or violation of regulatory prescriptions or breach of agreement. The bidder should not have been defaulted on any bank/ financial institute.	Declaration from bidder on its letterhead.	Sole bidder or all members of consortium.
9	Cloud and Data storage	IRCTC Chatbot will be deployed on MeitY-empaneled Cloud Service Provider	An undertaking in the letter head of the bidder mentioning the CSP	Sole bidder or lead member of consortium
10	Technical Support/	Bidder should have a dedicated support team to handle all types of issues (technical and nontechnical) encountered during the lifetime of project.	An undertaking in the letter head of the bidder to provide a dedicated support team to handle technical and nontechnical issues	Sole bidder or lead member of consortium

Note: (i) The documents submitted by the successful applicants, in compliance to the eligibility conditions shall be subject to verifications by IRCTC itself or through an agency (Expert in Forensic Audit) appointed by IRCTC, for which all necessary documents shall have to be essentially provided by the bidder, if so required. If the successful bidder is found to be ineligible on such verification, the letter of award will be terminated along with forfeiture of EMD (if any)/Security Deposit/ other deposits such as License Fee, Concession Fee, etc. In

such eventuality the successful bidder will also be debarred for 03 years from participating in the future projects of IRCTC.

(ii) In CA Certificate, UDIN Number is mandatory. CA Certificate without UDIN Number will not be considered.

8.7 Technical Scoring Criteria

a) Technical bids of those bidders who meet the minimum eligibility criteria will be evaluated based on technical evaluation criteria as tabulated below.

b) The technical bids that score at least 70 marks out of 100 will be considered for financial bid opening. The technical bids that scores less than total 70 marks out of 100 will be disqualified.

c) Every technical bid shall be awarded an absolute technical score of 'T(s)' marks out of a total of 100 marks.

d) It may be noted that any reference / mention of the financial quote or price schedule in the technical bid shall be at the bidder's risk and may result in rejection of the bid. IRCTC may ask bidder(s) for additional information to verify claims made in their technical bid document, at any point of time before opening of the financial bid.

e) If there is a change in the status of the bidder which may lead to non-compliance to the eligibility criteria, at any stage during the bid process till the award of the contract, the bidder should immediately bring the same to the notice of IRCTC. In this case, IRCTC may take appropriate steps which may also lead to rejection of the bid.

8.8 Technical Evaluation (Technical Score- QCBS)

S.No.	Criteria	Evaluation Parameter	Max marks	Documents to be provided
A	**Project Experience (Latest within two years as of opening of bid)**		**20**	
a)	The Bidder should have successfully developed, deployed and operated AI driven chatbot solution (GenAI /LLM or Agentic AI projects in production) in atleast three languages with average daily users of more than 1000 for ticketing, travel, or major customer service platform.	Experience •More than 03 projects=10 marks •1-3 projects=05 Marks	10	Client certificate and live demo

b)	Chatbot must have handled – at least 1 Crore queries annually	Average queries handled annually: • Above 2 Crores Queries handled = 10 marks • 1Crore – 2Crore Queries handled= 05 marks	10	Client certificate/dashboard report and live demo
B	**Multilingual Automation Capability (Latest within two years)**		30	
a)	Demonstrated experience with at least "Three Indian Languages other than Hindi and English" in a live production environment through automation like ASR using AI/ML technology.	• Above 10 Indian Languages = 30 marks • 3 - 10 languages=20 marks • Up to 3 languages =10 marks	30	Client Certificates
C	**Technical Presentation- Live demo and architecture presentation**		**50**	
	Demonstration of active use of Gen AI/ Agentic AI Technologies on live solutions: i. Technical approach and methodology and architecture– 30 marks • Use of Gen AI with low hallucination- the following will be tested -30 marks ▪ Chatbot handling typos, voice queries ▪ Executing tasks via API calls ▪ Intent and session management ▪ Multiple prompt handling ▪ ML capabilities ▪ Multi-lingual capability ▪ Overall UI/UX ▪ Architecture discussion ▪ End to end transaction processing. • Agentic AI workflow- 10 marks Multiple integrations to have seamless user experience. • Proposed Architecture, Work plan, activity			Live demo of existing systems along with presentation

	schedule and timelines – 10 marks		
	Total (A+B+C)	**100**	

The bidders scoring at least 70% marks will be evaluated at the next stage of financial bid

8.9 Tender Evaluation Criteria

The technical proposal will be evaluated only for those bidders who fulfil the minimum eligibility criteria as given under Para '**Eligibility Criteria**' in this RFP including both qualification and minimum 70 marks in Technical criteria (QCBS) will only be evaluated for the financial bid. The selection of the successful bidder will be done on the basis of QCBS criteria with 70% weightage to the technical marks and 30% weightage to the financial quote in the following stages. IRCTC's Decision in respect to evaluation methodology and short-listing the bidder will be final and no claims whatsoever in this respect will be entertained.

Stage 1:

(a) Fulfilment of minimum eligibility qualification criteria would be considered as qualified for technical evaluation.

(b) Marking will be done as per the technical qualifying criteria and who scores minimum 70 marks in QCBS in the technical qualifying criteria will progress to the stage2.

Stage 2: Financial bid opening and evaluation will be done only for those bidders who qualify the stage 1

Stage 3: QCBS: - The bidder who emerges as H1 on combined technical and financial evaluation will be selected. The formula for QCBS with examples is given for clarification.

The maximum marks (Total score) for technical evaluation will be 100. It would be normalized as under for each bidder: -

Total Score = 0.7 x T(s) + 0.3 x F(s*) where T(s) stands for technical score and F(s) for Financial score.*

In the event the bid composite bid scores (Total Score) are 'tied', the bidder securing the highest technical score will be selected for award of the Project. It is further elaborated only for the purpose of better understanding of the bidders: -

a) Technical Score "T(s)" calculation of Bidders (QCBS basis)

The Highest Technical score of a Bidder will be the Maximum Score. The bidder with the highest technical score shall be allocated a **T Score** of 100.

T score of current bidder = Score of Current Bidder X 100/ Maximum Score

For example;

Bidder	Bidder Score	Maximum Score	T Score T(s)
A	90	90	(90*100/90)= 100
B	85	90	(85*100/90)= 94.44
C	80	90	(80*100/90)= 88.88
D	65	--	Disqualified for financial bid opening.

The Financial bid of the bidders who qualify in Technical Evaluation, viz., bidders A, B and C shall be opened.

b) Financial Score "F(s)" calculation

The financial bid of the technically qualified bidders will be opened and such bidders will be ranked as FH1 (Financial Highest-1), FH2, FH3, etc. on the basis of their Bid Value in descending order. For Example, the bidder quoting highest Total Minimum Business Commitment (TMBC) will be FH1 and the bidder quoting second highest TMBC will be FH2 and so on:

F Score of the current bidder = 100* Quoted TMBC/ Highest TMBC received

For example,

Bidder	TMBC quoted by bidder (₹, in Cr.)	Highest TMBC received(₹, in Cr.)	Financial Score F(s)
A	7	8.5	100 × (7.0 / 8.5) = **82.35**
B	7.2	8.5	100 × (7.2 / 8.5) = **84.71**
C	8.5	8.5	100 × (8.5 / 8.5) = **100.00**

c) QCBS based Total Scoring

Total Score = 0.7 x T(s) + 0.3 x F(s)

Where, T(s) stands for technical score and F(s) for Financial score

Bidder	T Score	F Score	Combined Score 0.8 x T(s) + 0.2 x F(s)
A	100	82.35	0.7×100 + 0.3×82.35 = **94.71**
B	94.44	84.71	0.7×94.44 + 0.3×84.71 = 91.52
C	88.88	100	0.7×88.88 + 0.3×100 = 92.22

After Calculation of Combined Score **Bidder A** has got the highest score of 100 and is **H1**. Hence, as per this example, Bidder A is the successful bidder.

8.10 Award of Contract

The bid will be awarded to bidder scoring Highest Total Score (H1) as per the Method of Selection explained above. In case of a tie in the total score, the bidder with the higher technical score will be selected. IRCTC reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time without thereby incurring any liability to the affected bidder or bidders, with or without assigning any reason.

8.11 Integrity Pact

- It is required to have an Integrity Pact signed with the bidders as per "Annexure-VII". The Pact would be an agreement between the prospective bidders and IRCTC committing the officials of both the parties, not to exercise any corrupt influence on any aspect of the contract.
- Bidder will have to sign integrity pact by affixing his signature on each page of the pre signed copy of integrity pact for that tender, which will be a part of Eligibility Criteria.

8.12 NDA - Non Disclosure Agreement

- The successful bidder shall sign a Non-Disclosure Agreement (NDA) with IRCTC within 30-days from the date of acceptance of work order. The format of the NDA is given in "Annexure-VIII".

9. FINANCIAL BID

The Financial bids of only Technically Qualified Bidders who scores more than 70 % in QCBS standards would be opened. The Financial Bid should be filled online only as per the format provided in the Annexure-II. No deviations from this format will be accepted.

10. PAYMENT TERMS

10.1 Deposit of Total Minimum Business Commitment Value to IRCTC

i. Total Minimum Business commitment value to IRCTC, is required to be paid by the bidder in advance on Quarterly (03 months) basis.

ii. Minimum Business Commitment to IRCTC (1st quarterly advance payment), is required to be paid by the bidder, within 30 (Thirty) days from the date of issue of invoice after acceptance of LOA.

For example: -

If the bidder has quoted a Total Minimum Business Commitment (TMBC) of ₹9 crores for a period of 3 years, the advance payment obligations to IRCTC shall be as follows:

- Total Duration: 3 years = 36 months
- Annual Advance Payment = ₹9 crores ÷ 3 years = ₹3 crores per year
- Quarterly Advance Payment = ₹9 crores ÷ 12 quarters = ₹0.75 crores (i.e., ₹75 lakhs per quarter)

Accordingly, the bidder shall be required to:

- Pay ₹3 crores per year to IRCTC, split across 4 quarters, and
- Remit ₹75 lakhs in advance at the beginning of each quarter

These quarterly advance payments must be made within 15 (fifteen) days from the date of issue of the invoice by IRCTC, as mentioned in point 10.3.

iii. Advance deposits can be made through NEFT, RTGS, or online payment transfer, and the payment details must be submitted to IRCTC for confirmation and account credit

iv. All payment in favor of IRCTC should be in Indian Rupees and no foreign exchange/import license shall be provided.

v. Any delay in payment of Minimum Business Commitment Value to IRCTC will attract an interest of 12% per annum (Annualized for the number of days of the delay).

10.2 Security Deposit

i. Bidder will be required to deposit **5% of the Annual Minimum Business Commitment value with IRCTC** in the form of security deposit (through Demand draft/Online Bank transfer).

ii. The successful bidder shall pay the advance payment of the security Deposit within 30 (Thirty) days from the issuance of LOA.

iii. If the Security Deposit is not received within 30 (Thirty) days from the issuance of LOA, IRCTC reserves the right to cancel the contract. If the Security Deposit payment is delayed and accepted by IRCTC then interest will be charged on the delayed period @12% interest per annum.

iv. IRCTC reserves the right to terminate the contract for any further delay in payment of Security Deposit or/and applicable Interest thereafter.

v. The Security deposit will remain with IRCTC till the completion of the work of Three (3) years or any extension thereafter. Security deposit will be refunded without any interest after adjusting outstanding/penalty/dues amount, if any.

10.3 Invoicing

a. Invoicing of Advance

i. First Payment: IRCTC will raise a Quarterly (03 months) invoice in advance and the party should make the payment along with Security Deposit within one month of the invoice raised.

ii. Subsequent Payment: IRCTC will issue a Quarterly / 03 months' invoice, one month in advance before the completion of the previous period, based on the guaranteed value quoted by the selected bidder.

b. bidder should make the subsequent payment of Invoice value with applicable taxes, within 15 days from date of receipt of the invoice from IRCTC end. Late payments will incur an interest charge at the rate of 12% per annum.

c. Recurring Payment Defaults: In the event of recurring payment defaults of the advance amount by the selected bidder, IRCTC reserves the right to terminate the contract as a breach of contract and security deposit and quarterly advance payment will be forfeited.

d. It is bidder's responsibility to comply with all tax related laws, payment of TDS as applicable for all payments made to IRCTC.

e. IRCTC reserves the right to recover any outstanding dues from the bidder by adjusting/forfeiting the same against advance payment of the bidder or security deposit or any amount payable to the bidder either under this contract or any other contract.

f. under no circumstances, the revenue quoted will be reduced except under the special circumstances mentioned in the document.

10.4 Go-Live

a) Bidder will be allowed to go live post technical integration in both the platform of IRCTC/Indian Railway website and App only after submission of quarterly Advance payment of Total Minimum Business Commitment Value and Security Deposit mentioned above at 10.1 and 10.2 above have been deposited.

b) Project should be made Live on all the platforms (IRCTC website homepage (irctc.co.in) and IRCTC connect App homepage along with Indian Railway Website and App) within three (3) months of issuance of LOA to the successful bidder.

c) In case if implementation is delayed from IRCTC end, then no penalty shall be imposed on the bidder.

d) IRCTC reserves the right to terminate the contract in case frequent delays in Go Live date from the proposed date.

e) Timelines for Delivery and Implementation Phases:

   i. Go-Live across all the IRCTC properties as per scope of work, will be maximum up to three (3) months from the date of issue of LOA.
   ii. Any revenue generated through partial implementation before Go-Live date will be shared with IRCTC in the ratio of 70:30 (70% to IRCTC: 30% to Successful Bidder).
   iii. If the Go Live date is not finalized within three (3) Months of issue of LOA, then IRCTC will start raising invoices to the bidder on Quarterly Minimum Business Commitment value after completion of three (3) months from the date of issue of LOA.
   iv. Any delay in Go Live from the proposed date (i.e. 3 months from the date of issuance of LOA), will attract an interest of 5% per annum (Annualized for the number of days of the delay) or additional business value may be adjusted from the security deposit for the delayed period.

Points to note: -

a) Tender Period will be of Three (3) years with provision for extension of 1+1 year.
b) Extension: The contract may be extended further for a period of 1+1 year or part thereof at the sole discretion of IRCTC subject to the same terms and condition of the tender document with an increment of 10% on Annual Minimum IRCTC Business Commitment value for the extension period.
c) The bid is invited from the bidder on Total Minimum Business Commitment for the period of Three (3) years to IRCTC and the bidder who qualifies the QCBS criteria will win the tender.
d) IRCTC reserves the right to terminate the bidding process at any time and participation in the tender does not give any entitlement to the bidder.
e) The bidding value Total Minimum Business Commitment should be in positive numbers only. Total Minimum Business Commitment amount can be expressed up to two decimal places only.
f) GST as applicable will also be charged over and above quoted Total Minimum Business Commitment.
g) IRCTC shall raise the invoice of quarterly minimum Business Commitment values or revenue share calculated based on the reports of dashboard provided by the bidder, whichever is higher.

h) The % of revenue share between IRCTC and the bidder will be 70:30 (70% to IRCTC: 30% to Bidder).
i) Service Fee- An additional fee of ₹10/- per chatbot/ WhatsApp bot -initiated ticket booking shall be levied.
j) For every ticket booking Revenue Sharing Arrangement will be 70% share to IRCTC and 30% share to the Successful Bidder/Technology Service Provider (TSP)
k) If bidder is not able to achieve the quarterly minimum Business Commitment, then IRCTC will raise the invoice for Quarterly Minimum Business Commitment value.
l) If Bidder generates the higher revenue than the Quarterly Minimum Business Commitment, then IRCTC will raise the invoice for the higher business value.
m) Payment shall be made by successful bidder within the fifteen (15) days from the date of Invoice.
n) Any delay in payment of quarterly invoice will attract an interest of 12% per annum (Annualized for the number of days of the delay) or additional business value may be adjusted from the security deposit for the delayed period.
o) IRCTC reserves the right to offline the services or cancel the contract in case frequent defaults or delay in payments.

11. SLA & PENALTY CLAUSE

The Service Levels mentioned below are expected to be delivered by the Bidder during the course of the Project. This Service Level Agreement (SLA) between the IRCTC and the successful Bidder will become part of the Agreement signed between the two parties.

Following SLA shall be applicable during the Operations Phase Penalty would be levied on Bidder on non-achievement of SLAs for the period under consideration.

The successful bidder has to provide uninterrupted services and operations throughout the contract period.

S. No.	Parameter	Target	How to Check	Penalty for Non-Compliance
1	System Uptime (All Platforms)	≥ 99.5% per month	Automated uptime monitoring reports; IRCTC audit logs	₹10,000 per 0.1% shortfall per month beyond 0.5% downtime threshold
2	Bot Reply Time (Web/App)	≤ 3 seconds	Average response time from server logs	₹2,000 per instance where >5% queries in a day exceed 3 seconds

3	Booking Success Rate	≥ 95%	Monthly transaction logs from IRCTC and bidder dashboard	₹5,000 for every 1% drop below threshold per month
4	Language Understanding Rate	≥ 90%	Random sampling of multi-language chat transcripts; user feedback reports	₹5,000 per month if average accuracy drops below threshold in two or more supported languages
5	Restricted Category Ad served on chatbot based solution by the Bidder.	-	Any reported incidence or observation/monitoring by IRCTC	IRCTC may disable the chatbot-based solution till such time the problem is resolved by the Bidder. A penalty of Rs.10,000 per incident may be imposed.
6	Data breach or Security incident		Any confirmed incident	The bidder to make good any direct financial loss.

12. CONSIGNEE & DELIVERY ADDRESS:

Consignee: Group General Manager/IT-1
Indian Railway Catering and Tourism Corporation Limited,
Internet Ticketing Center,
2nd Floor, Tower-D,
World Trade Centre, Nauroji Nagar, New Delhi-110029

13. INTELLECTUAL PROPERTY RIGHTS (IPR)

13.1 Ownership of Intellectual Property:

All intellectual property—including but not limited to e-ticketing application on Chatbot/WhatsApp, software code, audience segments, dashboards, data, documentation, processes, and configurations, WhatsApp number, WhatsApp Business API Profile —developed exclusively for IRCTC under the scope of this project shall be the sole and exclusive property of IRCTC.

13.2 Restrictions on Use:

The bidder shall not use, replicate, distribute, or commercialise any intellectual property developed during the execution of this contract for any third-party use without prior written consent from IRCTC.

13.3 Third-Party IP:

If the solution includes third-party software or services, the bidder must ensure all necessary rights, licenses, and permissions are obtained and IRCTC is indemnified against any IPR-related claims from such third parties.

13.4 IP Transfer Upon Completion or Termination and migration of application:

The source code and architecture documentations should be put in third party escrow arrangement on regular intervals. It will be audited and the updation of codes will be ensured. The bidder has to bear the cost of the service. Upon successful completion or termination of the contract or any premature termination, the bidder shall promptly transfer all deliverables and associated intellectual property of the solution developed to IRCTC, including source codes, credentials, and technical documentation. The bidder should commit to make smooth transition at the end of the contract including KT, keeping the key functionaries at the disposal of IRCTC for 3 months after the contract end.

14. TERMINATION OF CONTRACT:

14.1 In the event of default, IRCTC may issue a notice of 15 days to remedy or make good such breach in spite of such notice in writing, if Bidder fails to remedy the breach reasonably, it shall be lawful for IRCTC to terminate the contract with forfeiture of security deposit and quarterly advance payment. The decision of IRCTC shall be final and binding on the bidder.

14.2 IRCTC shall be entitled to terminate the contract forthwith with three months' notice in case of serious and repeated defaults.

14.3 Events of Default:

14.3.1 Regular instances of non-payment of IRCTC revenue as agreed above

14.3.2 Willful Negligence in responding to IRCTC related to the performance of Bidder scope of work under this project.

14.3.3 Any other act which is against the interest of IRCTC. Bidder and IRCTC have agreed that upon expiry or termination of this project, both parties shall pay the other amounts due and payable at the date of

termination.

14.3.4 Repeated defaults in payments during the contract period

14.3.5 Unauthorized data transfer to third party.

15. EXIT CLAUSE

15.1 IRCTC may at any time at its sole discretion and without giving any reason or any prior notice terminate or temporarily suspend the Successful bidder's access to all or any part of the services. IRCTC may also terminate pursuant to any new regulations issued by Govt. or any regulatory compliance due to which there is disruption or stoppage of the service. No Claim / Compensation for any consequential loss on account of such termination or suspension will be entertained.

In such eventuality, the Security Deposit and Advance Payment will be refunded on pro-rata basis after deducting all the pending dues, if any, to the successful bidder.

15.2 Bidder may exit the arrangement by giving 90 day's prior notice to IRCTC.

In such eventuality, Security Deposit and advance payment will be refunded after deducting all the pending dues, if any

16. SERVICE AGREEMENT

The successful bidder shall be required to enter into a Service Agreement with IRCTC upon issuance of Purchase Order/Award of Contract by IRCTC or within such extended period as may be specified by IRCTC.

17. DEFAULT BY SUCCESSFUL BIDDER

Bidders must note that this is a very critical and crucial project for IRCTC and hence bidders are expected to show absolute seriousness for this project. The following action of successful bidder shall be treated as serious default on the part of successful bidder:

a) Withdrawal from the project after receiving the purchase order/LoA.
b) Leaving the contract in-between at any time during the project implementation and support period.
c) Non-delivery of project, including warranty support period, after receiving of purchase order
d) Wrong information supplied
e) Sharing of IRCTC access credentials with any third party.
f) Unauthorized data transfer to third party

In above mentioned conditions the bidder shall be treated as 'defaulter' and IRCTC shall have the right totake appropriate action against the defaulter including but not limited to:

a) Confiscate the Advance invoiced amount if any, and/or
b) Stop any payment to defaulter pending for delivered IT systems/services/tool, and/or
c) Debar the defaulter from any engagement with IRCTC for at-least next 3 years, and/or
d) Termination of contract in whole or part thereof.

18. ARBITRATION

a. A dispute, difference or controversy regarding the validity, interpretation or the rights and obligations arising out of, or in relation to, or howsoever arising under or in relation to this Contract between the Parties, and so notified by either Party to the other Party (the "Dispute") shall be subject to the dispute resolution procedure set out hereinafter.

b. Amicable settlement: The Parties agree that in case of any Dispute or difference between the parties, the same shall at first instance be settled amicably between them. For this purpose, both the Parties shall be represented by any of its officials or employees with sufficient knowledge and authority over the subject matter of the Dispute.

c. Arbitration: In case the, parties are unable to resolve the Dispute through amicable settlement, the Parties shall refer the Dispute to Arbitration.

d. The Arbitration shall be conducted by an Arbitral tribunal comprising of a Sole Arbitrator to be mutually appointed from IRCTC's empaneled Arbitrators. Arbitration proceedings shall be conducted as per aegis of Arbitration and Conciliation Act, 1996. The seat of Arbitration shall be the place where the contract is executed.

e. Any decision or award resulting from Arbitration shall be final and binding upon the Parties. The fees and expenses of the Arbitration tribunal and all other expenses of the Arbitration shall be jointly borne by the Parties in equal proportion.

f. Pending the sub mission of and/or decision on a dispute, difference or claim or until the arbitral award is made; the parties shall continue to perform all of their obligations under this Agreement without prejudice to a final adjustment in accordance with such award.

g. Performance during Dispute: Save in such cases where the dispute has a risen due to

premature termination, performance of this Contract shall continue during the settlement of any Dispute under this agreement. The provisions for dispute settlement shall be binding upon the successors, assigns and any trustee or receiver of either the parties. In case of premature termination, of the agreement.

19. FORCE MAJEURE:

Neither party shall be liable for failure to perform or delay in performing any obligation under this contract if the failure or delay is caused by any reason of any war, or hostility, acts of the public enemy, civil commotion, sabotage, accidents, fires, floods, explosions, epidemic, quarantine restrictions, strikes, lockouts, or acts of God or such other eventualities which are beyond the control of the party, herein after referred as events and provided notice of happening of any such eventuality is given by either party to the other within seven days from the date of occurrence thereof neither party shall by reason of such event, be entitled to terminate the Contract, nor shall either party have any claim for damages against the other in respect of such nonperformance or delay in performance and deliveries under the Contract shall be resumed as soon as practicable after such events as they come to an end or ceased to exist.

20. INFORMATION SECURITY, COMPLIANCE AND AUDIT REQUIREMENTS

21.1. Information Security

a. The bidder and its deputed personnel shall not share and/or transmit any material, information that contains IRCTC data/application details to any third party and/or third party app without approval of competent authority of IRCTC.

b. The bidder shall ensure that all necessary security measures are taken for the security in order to prevent any un-authorized access to IRCTC application and data.

c. The bidder shall, upon termination of this agreement for any reason, or upon demand by IRCTC, whichever is earliest, return any and all information provided to the bidder by IRCTC, including any copies or reproductions, both hardcopy and electronic.

d. The bidder acknowledges that IRCTC's business data and other proprietary information and materials, whether developed by IRCTC or being used by IRCTC pursuant to an agreement with a third party (the foregoing collectively referred to herein as "proprietary information") are confidential and proprietary to IRCTC; and the bidder agrees to use reasonable care to safeguard the proprietary information and to prevent the unauthorized use or disclosure thereof, which care shall not be less than that used by the bidder to protect its own proprietary information. The bidder recognizes that the goodwill of IRCTC depends, among other things, upon the

bidder keeping such proprietary information confidential and that unauthorized disclosure of the same by the bidder could damage IRCTC, and that by reason of the bidder's duties hereunder. The bidder may come into possession of such proprietary information, even though the bidder does not take any direct part in or furnish the services performed for the creation of said proprietary information and shall limit access thereto to employees with a need to such access to perform the services required by this agreement. The bidder shall use such information only for the purpose of performing the said services.

21.2. Confidentiality

a. The bidder shall not use Confidential Information, data, name or the logo of IRCTC except for the purposes of providing the Service as specified under this contract;

b. The Bidder acknowledges that all information, materials, and documents provided in after the commencement of the purported tender (collectively referred to as "Information") are confidential and proprietary. The Bidder agrees not to disclose, reproduce, distribute, or utilize the Information for any purpose other than the specified evaluation or purpose without prior written consent from the disclosing party. The Bidder shall take reasonable measures to safeguard the confidentiality of the Information and shall not provide, directly or indirectly, the documents or any information contained therein to any third party for any other services, projects, or purposes without explicit written authorization from the disclosing party.

c. The bidder shall sign a Non-Disclosure Agreement (NDA) with IRCTC. The bidder will be held responsible for any breach of the NDA by its antecedents, delegates, personnel or sub-contractors. The format of the NDA is provided in Annexure-V: Non-Disclosure Agreement (NDA).

21.3. Statutory Compliance:

During the tenure of this contract nothing shall be done by the bidder in contravention of any law, act and/or rules/regulations, there under or any amendment thereof and shall keep IRCTC indemnified in this regard. The bidder shall comply and ensure strict compliance by his/her employees and agents of all applicable Central, State, Municipal and Local Laws and Regulations and undertake to indemnify IRCTC from and against all levies, damages, penalties and payments whatsoever as may be imposed by reason of any breach or violation of any law, rule, including but not limited to the claims against IRCTC under Employees Compensation Act, 1923, The Employees Provident Fund and Miscellaneous Provisions Act, 1952, The Contract Labour (Abolition and Regulation) Act 1970, Factories Act, 1948, Minimum Wages Act and Regulations, Shop and Establishment Act and Labour Laws which would be amended/modified or any new act if it comes in force whatsoever, and all actions claim and demand arising therefrom and/or related thereto.

ANNEXURE – VII- INTEGRITY PACT

PRE-CONTRACT INTEGRITY PACT

INTEGRITY PACT

This pre-bid pre-contract Agreement (hereinafter called the Integrity Pact or IP) is made on _____ day of ____, 2024 between Indian Railway Catering & Tourism Corporation Limited (hereinafter referred as "IRCTC"), which expression shall unless repugnant to the context shall mean and include, , its successors in office and assigns.

And

…… hereinafter referred to as "The Bidder/Contractor" which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns

Preamble

IRCTC intends to award, under laid down organizational procedures, Contract/s for (Tender No.) ……. IRCTC values full compliance with all relevant laws of the land, rules, regulations,economic use of resources and of fairness/transparency in its relations with its bidder(s) and / or contractor(s).

The Integrity Pact essentially envisages an agreement between the prospective vendors/bidders and the buyer, committing the persons/officials of both sides, not to resort to any corrupt practices in any aspect/stage of the contract. Only those vendors/bidders, who commit themselves to such a Pact with the buyer, would be considered competent to participate in the bidding process. In other words, entering into this Pact would be a preliminary qualification. Integrity Pact, in respect of a particular contract, shall be operative from the date the pact is signed by both the parties.

The essential ingredients of the Pact includes:

Section 1- Commitments of IRCTC

IRCTC commits itself to take all measures necessary to prevent corruption and to observe the following principles:

(a) No employee of IRCTC, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

(b) IRCTC will, during the tender process, treat all bidder(s) with equity and reason. IRCTC will in particular, before and during the tender process, provide to all Bidder(s)the same information and will not provide to any bidder(s) confidential/additional information through which the Bidder(s)

could obtain an advantage in relation to the tender process or the contract execution. IRCTC will enter into agreements with identical conditions as this one with all bidders and contractors.

(c) IRCTC will exclude from the process all known prejudiced persons.

Section 2- Commitments of the Bidder(s)/Contractor(s)

The Bidder(s)/Contractor(s) commit themselves to take all measure to prevent corruption. The Bidder(s)/Contractor(s) commit themselves to observe the following principles during participation in the tender process and during the contract execution.

(a) The Bidder(s)/Contractor(s) shall not, directly or through any other person or firm, offer, promise or give to any of the IRCTC's employees involved in the tender process or the execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to.

(b) The Bidder(s)/Contractor(s) shall not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informalwith respect to prices, specification, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

(c) The Bidder(s)/Contractor(s) shall not commit any offence under any Criminal law .Further the Bidder(s)/Contractor(s) shall not pass any information or document provided by IRCTC as part of the business relationship, regarding plans, technical proposals and business details including information contained or transmitted electronically to others

(d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the name and address of their Agents/representatives in India, if any. Similarly, the Bidder(s)/Contractor(s) of Indian Nationality shall furnish the name and address of their foreign principals, if any.

(e) The Bidder(s)/Contractor(s) shall , when presenting their bid, disclose any and all payments to be madeby them to agents, brokers or any other intermediaries in connection with the award of the contract.

(f) Bidder(s)/Contractor(s) who have signed the Integrity Pact shall not approach the courts while representing the matter to IEMs and shall wait for their decision in the matter.

(g) Bidders to disclose any transgressions with any other public/government organization that may impinge on the anti-corruption principle. The date of such transgression, for the purpose of disclosure by the bidders in this regard, would be the date on which cognizance of the said transgression was taken by the competent authority. The period for which such transgression(s) is/are to be reported by the bidders shall be the last three years to be reckoned from date of bid submission. The transgression(s), for which cognizance was taken even before the said period of three years, but are pending conclusion, shall also be reported by the bidders.

(h) In case of a Joint Venture, all the partners of the joint venture should sign the Integrity Pact. In case of sub-contracting, the principal contractor shall take the responsibility of the adoption of the pact by the sub-contractor. It is to be ensured that all the sub-contractors also sign this pact . In

case of sub-contractors, the pact will be a tri-partite arrangement to be signed by the Organization, the contractor, and the sub-contractor.

(i) The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3- Previous Transgression

(1) The Bidder declares that no previous transgressions occurred in the last three years from date of bid submission with any public/government organization that may impinge on the anti-corruption principle that could justify his exclusion from the tender process.

(2) If the bidder makes incorrect statement on this subject, he can be disqualified from the tender process or action can be taken as per the procedure mentioned in "Guidelines on Banning of Business dealings".

Section 4- Violation of Integrity Pact by Bidder(s)/Contractor(s)/Subcontractor(s)

Any violation of Integrity Pact by Bidder(s)/Contractor(s)/Subcontractor(s) before award or during execution would entail disqualification of the Bidder(s)/Contractor(s)/Subcontractor(s) and exclusion from future business dealings, as per the existing provisions of GFR 2017, PC Act 1988 and other applicable Financial Rules/Guidelines etc.

Section 5 - Compensation for Damages

(1) If IRCTC has disqualified the Bidder(s) from the tender process prior to the award according to Section 4, IRCTC shall be entitled to demand and recover the damages equivalent to Earnest Money Deposit/ Bid Security.

(2) If IRCTC has terminated the contract according to Section 4, the IRCTC shall be entitled to demand and recover from the contractor liquidated damages of the contract value or the amount equivalent to Performance Bank Guarantee.

Section 6- Independent External Monitor

(1) IRCTC has appointed competent and credible Independent External Monitor (IEMs) for implementation of the Integrity Pact after approval by Central Vigilance Commission. The task of IEMs is to review independently and objectively, whether and to what extent the parties comply with the obligations under the Pact on receipt of any complaint by them from the bidder(s).

(2) The IRCTC has appointed following two Independent External Monitors (hereinafter referred to as IEMs) for this Pact in consultation with the Central Vigilance Commission.

a) Shri Apurva Varma, IAS (Red.) as IEM/IRCTC, E-mail: - apurvavarma1@gmail.com
b) Shri Bharat Prasad Singh. IFoS (Red.) as IEM/IRCTC,E-mail: - bps.arunabh@gmail.com

(3) The IEMs shall examine all the representations/grievances/complaints received by them from the bidders or their authorized representative related to any discrimination on account of lack of fair

play in modes of procurement and bidding systems, tendering method, eligibility conditions, bid evaluation criteria, commercial terms & conditions, choice of technology/specifications etc. .

(4) The Bidder(s)/Contractor(s)/Subcontractor(s) accepts that the IEMs have the right to access to all documents/records pertaining to the tender for which a complaint or issue is raised before them, as and when warranted.

(5) The IEMsare under contractual obligation to treat the information and documents of the bidder(s)/ contractor(s)/ Sub contractor(s) with confidentiality. The IEMs have also signed declaration on 'Non-Disclosure of confidential Information' and of 'Absence of conflict of interest'. In case of any conflict of interest arising at a later date, the IEM shall inform CMD, IRCTC and rescue himself/herself from that case.

(6) The role of IEM is advisory and the advice of IEM is non-binding on the Organization. However, as IEMs are invariably persons with rich experience who have retired as senior functionaries of the government, their advice would help in proper implementation of the Pact . The final authority for implementation of the Pact isCMD, IRCTC.

(7) In the event of any dispute between the management and the contractor relating to those contracts where Integrity Pact is applicable, in case, both the parties are agreeable, they may try to settle dispute through mediation before the panel of IEMs in a time bond manner. However, not more than five meeting shall be held for a particular dispute resolution, the Fees/expenses on dispute resolution shall be equally shared by both the parties. In case, the dispute remains unresolved even after mediation by the panel of IEMs, the Organization/Contractor(s) may take further action as per the terms and conditions of the contract

(8) The role of CVO of the organization shall remain unaffected by the presence of IEMs. A matter being examined by the IEMs can be separately investigated by the CVO in terms of the provisions of the CVC Act or Vigilance Manual, if a complaint is received by him/her or directed to him/her by the Commission. CVO and/or the officials of the vigilance wing should not be associated by IEMs during examination of the complaints in any manner.

(9) The Word 'IEM' would include both singular and plural.

Section 7- Pact Duration

This pact begins when both parties have legally signed it.It expires for the Contractor(s) 12 months after the last payment under the contract, and for all other Bidders 6 months after the contract has been awarded. If any claim made/ lodged during this time, the same shall be binding and will continue to be valid even afterlapse of this pact as specified above, unless it is discharged/determined by the CMD,IRCTC.

Section 8- Other Provisions

(1) This agreement is subject to Indian Law. Place of performance and Jurisdiction is the place of Registered Office of IRCTC, i.e. New Delhi.

(2) Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

(3) Should one or several provisions of this agreement turn out be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.

(4) Issues like Warranty/Guarantee etc. shall be outside the purview of IEMs.

(5) In the event of any contradiction between the Integrity Pact and its Annexure (if any), the clause in the Integrity Pact will prevail.

Annexure VIII- NDA

Confidentiality - Cum - Non Disclosure Agreement (NDA)

(To be submitted on non-judicial stamp paper of Rs.100 within 15 days from the date of award of PO)

This Confidentiality–cum-Non Disclosure Agreement is executed and made effective as of the .....……. day of ……20.... at.....

BY AND BETWEEN

Indian Railway Catering and Tourism Corporation Ltd, a Public Sector Undertaking (PSU) under Railway of India, having its Corporate Office at, 4th Floor, Tower-D, World Trade Centre, Nauroji Nagar, New Delhi-110029 (hereinafter referred to as "IRCTC" which expression shall, unless repugnant to the context or meaning thereof, mean and include its successors, administrators, representatives and assigns) of the ONE PART;

And

[Name and address of the Party] (hereinafter referred to as the **"Recipient"** which expression shall, unless repugnant to the context or meaning thereof, mean and include its successors, representatives, authorized agents and assigns) of the OTHER PART.

to ensure the protection and preservation of confidential and/or proprietary information to be disclosed by *IRCTC* to the Recipient.

In reliance upon and in consideration of the following undertakings, *IRCTC* and the Recipient agree as set out herein:

1. **Confidential Information:** All technical and non-technical information, trade secrets, marketing plans, customer information, data, drawings, documents, specifications, lay-outs etc(whether verbal, written, visual or otherwise, hard or electronic copy) including but not limited to details of network services, network infrastructure diagrams, software programs, know-how, application details etc disclosed by IRCTC or its related companies, group, associates or advisors to the Recipient shall be considered confidential information ("**Confidential Information**").

2. **Obligations**: The Recipient expressly undertakes to retain in confidence and to require all of its employees, agents, contractors, consultants and subcontractors to retain in confidence all information and know-how transmitted to the Recipient by *IRCTC* that has been identified as being proprietary and/or confidential, or that by the nature of the circumstances surrounding the disclosure ought to be treated as proprietary and/or confidential. The Recipient shall make no use of such information and know-how except under the terms and for the Authorized Purpose only. Notwithstanding anything to the contrary herein, the Recipient's confidentiality obligations set forth herein shall survive any termination or expiration of the Authorized Purpose. In any case the recipient shall be solely responsible for any misuse of such disclosed information to their employees, agents etc and IRCTC shall be free to seek such injunctive or other relief against Recipient /or their employees, agents etc. jointly or severally as may be deemed proper by the court of competent jurisdiction.

   Limit on Obligations: The obligations of the Recipient specified in clause above shall not apply and the Recipient shall have no further obligations, with respect to any Proprietary Information to the extent that such Proprietary Information:

   a) is generally known to the public at the time of disclosure or becomes generally known without any wrongful act on the part of the Recipient,
   b) is in the Recipient's possession at the time of disclosure otherwise than as a result of the Recipient's breach of a legal obligation;

c) becomes known to the Recipient through disclosure by any other source, other than the Disclosing Party, having the legal right to disclose such Proprietary Information.
d) Is independently developed by the Recipient without reference to or reliance upon the Proprietary Information; or
e) Is required to be disclosed by the Recipient to comply with applicable laws or governmental regulation, provided that the recipient provides prior written notice of such disclosure to the Disclosing Party and takes reasonable and lawful actions to avoid and/or minimize the extent of such disclosure.

3. **Title and Proprietary Rights:** Notwithstanding the disclosure of any Confidential Information by IRCTC to the Recipient, the title and all intellectual property and proprietary rights in the Confidential Information shall remain with IRCTC.

   The provisions of this Agreement are necessary for the protection of the business goodwill of IRCTC and are considered by IRCTC to be reasonable for such purposes. Recipient agree that any breach of this Agreement will cause substantial and irreparable damages to IRCTC and, therefore, in the event of such breach, in addition to other remedies under the title of "Remedies" under this agreement, which may be available, the Recipient violating the terms of Agreement shall be liable for the entire loss and damages on account of such disclosure.

4. **Purpose**: The Recipient shall use the Information solely for the purposes of "Exclusive rights of Push Notification on IRCTC Owned websites and Apps" ("Authorized Purpose").

5. **Use:** The Recipient shall:
   a) use the Confidential Information only to the extent necessary to accomplish the Authorized Purpose;
   b) preserve the secrecy of the Confidential Information;
   c) not disclose the Confidential Information to any employee except to those having a need to know the same for the Authorized Purpose and shall be responsible for its employees' compliance with this Agreement;
   d) not disclose the Confidential Information to any third party except if such disclosure is required pursuant to a valid court order provided that the Recipient shall give IRCTC reasonable prior written notice of such disclosure and, where required, assist IRCTC to resist such disclosure;
   e) immediately notify IRCTC in writing upon the discovery of any loss or unauthorized disclosure of any Confidential Information;
   f) Shall take reasonable security precautions, at least as great as the precautions it takes to protect its own confidential information, to keep confidential the Confidential Information. The Recipient may disclose Confidential Information only to its employees, agents, sub-contractors, mandates, or consultants on a need-to-know basis for the Authorized Purposes. The Recipient shall execute appropriate written agreements with its employees, agents, contractors, mandates and consultants sufficient to enable it to comply with all the provisions of this Agreement;
   g) not reproduce, summarize or distribute the Confidential Information in any form;
   h) not remove the Confidential Information from its premises without the prior written consent of IRCTC;
   i) get its facility, under scope and hosting IRCTC data, audited by an established and Govt's CERT empaneled third-party security audit agency if and when asked by IRCTC and shall submit the report of the same to IRCTC

6. **Ownership:** The Confidential Information is the property of *IRCTC* or its associates or advisors. Nothing in this Agreement shall be construed as granting any property rights, by license or otherwise, to any Confidential Information disclosed pursuant to this Agreement, or to any invention or any patent, copyright, trademark, or other intellectual property right that has issued or that may issue, based on such Confidential Information. The Recipient shall not make, have made, use or sell for any purpose any product or other item using, incorporating or derived from any Confidential Information. It is understood and agreed that neither party solicits any change in the organization, business practice, service or products of the other party, and that the disclosure of Confidential Information shall not be construed as evidencing any intent by a party to purchase any products or services of the other party nor as an encouragement to expend funds in development or research efforts. The Confidential Information may pertain to prospective or unannounced products. The Recipient agrees not to use any Confidential Information as a basis upon which to develop or have a third party develop a competing or similar product.

7. **Return of documents:** The Recipient shall, in writing, return all Confidential Information in whatever form (including all copies thereof and summaries, analysis, compilations, studies, reports, notes and other documents or materials derived there from, whether prepared by the Recipient or not) received by the Recipient pursuant to this Agreement (and all copies and reproductions thereof) within a reasonable period. Recipient agrees that in the event it is not inclined to proceed further with the engagement, business discussions and negotiations, or in the event of termination of this Agreement, the Recipient party will promptly return to IRCTC or with the consent of IRCTC, destroy the Proprietary Information of IRCTC.

8. **Duration:** The Recipient's obligations under this Agreement shall ensure no copies are retained by it or its employees/agents for **five years** after the termination of "Exclusive rights of Push Notification on IRCTC Owned websites and Apps" ("**Authorized Purpose**").

9. **Waiver:** *IRCTC*'s failure to exercise or delay in exercising a right or remedy provided by this Agreement or by law does not constitute a waiver of such right or remedy or a waiver of other rights or remedies.

10. **Publicity:** The Recipient must not make any press or other public statements (which includes announcements and releases) relating to this Agreement, the Confidential Information and the Authorized Purpose.

11. **Remedies:** Recipient agrees to make good loss suffered due to breach of contract and undertakes to indemnify IRCTC against the financial loss caused directly or indirectly by claims brought about by its customers or by third parties.

    The Recipient agrees that any breach or a threatened breach by the Recipient of its undertakings and obligations under this Agreement will cause irreparable injury to IRCTC and monetary damages would not be an adequate remedy for such breach or threatened breach. Accordingly, in addition to such damages and any other remedies that may be available, in law, in equity or otherwise, IRCTC shall be entitled to seek temporary and permanent injunctive relief against any threatened breach or the continuation of any breach and costs and expenses relating to the enforcement of any breach or threatened breach of this Agreement.

12. **Severability:** If any of the provisions of this Agreement is found to be invalid for any reason whatsoever, such invalidity shall not affect the validity and operation of the other remaining provisions of this Agreement.

13. **Laws:** This Agreement, including its validity and interpretation, the merits of any dispute or claim arising out of or relating to this Agreement shall be governed by the laws of India, without having regard to its principles of conflict of laws.

14. **Forum**: The Recipient shall submit to the exclusive jurisdiction of the courts at Delhi, India to adjudicate any dispute arising out of this Agreement.
15. **Miscellaneous**: This Agreement embodies the entire and final understanding of the parties on this subject. It supersedes any previous representations, agreements, or understandings, whether oral or written. No amendment or modification hereof shall be valid or binding upon the parties unless made in writing and signed by an authorized representative on behalf of each party.
16. **Communications:** Written communications requesting or transferring Proprietary Information under this Agreement shall be addressed only to the respective designees as follows (or to such designees as the parties hereto may from time to time designate in writing)

    [*Recipient*]
    [*Recipient's Address*]

17. **Notices**: Any notice required by this Agreement or given in connection with it, shall be in writing and shall be given to the appropriate party by personal delivery or by certified mail, postage prepaid, or recognized overnight delivery services.

    If to IRCTC:
    Group General Manager/IT-1
    2nd Floor, Tower-D, World Trade Centre,
    Nauroji Nagar, New Delhi-110029

    If to Recipient:
    [Recipient]
    [Recipient's Address]

18. **Headings**: Headings used in this Agreement are provided for convenience only and shall not be used to construe meaning or intent.

ANNEXURE – IX- GLOSSARY

Glossary for IRCTC Chatbot Tender

Below is a glossary of key terms and acronyms used in the Indian Railway Catering and Tourism Corporation Limited (IRCTC) E-Tender for the Selection of Technology Service Provider (TSP) for Development, Deployment, Operation, and Ad Monetization of AI-based Chatbot Solutions for IRCTC Services. The definitions aim to clarify their meaning and usage within the context of the tender document.

- **Agentic AI**: Artificial Intelligence capable of proactive, goal-oriented task execution, such as notifying users of fare drops, suggesting alternate travel options, or orchestrating complex bookings based on broad user intents.
- **AI-Powered Chatbot**: An advanced conversational system leveraging Artificial Intelligence, including Generative AI and Agentic AI, to provide real-time, personalized, and multilingual assistance for IRCTC services like ticket booking and enquiry handling.
- **AskDisha**: IRCTC's AI-powered chatbot, officially named "Digital Interaction to Seek Help Anytime," designed to offer real-time assistance for railway-related queries and services.
- **Bidder**: An organization or consortium participating in the tender process by submitting a technical and financial bid to become the Technology Service Provider (TSP) for IRCTC's chatbot solution.
- **Consortium**: A group of up to TWO companies or organizations collaborating to bid for the project, with one designated as the Lead Member holding at least 51% stake in the contract value.
- **DPDP Act**: The Digital Personal Data Protection Act, 2023, an Indian regulation governing the protection and processing of personal data, which the chatbot solution must comply with.
- **Earnest Money Deposit (EMD)**: A refundable deposit of ₹5,00,000/- required from bidders to demonstrate their commitment to the tender, which may be forfeited if the bidder withdraws or violates tender terms.
- **Financial Bid**: The part of the bid where the bidder quotes the Total Minimum Business Commitment (TMBC) to IRCTC for the three-year contract period, submitted in the format specified in Annexure II.

- **Generative AI**: AI technology that enables natural, human-like conversations, dynamic query handling, content personalization, and context retention across user interactions.
- **Go-Live**: The phase when the chatbot and WhatsApp bot solutions are fully deployed and operational across all specified IRCTC platforms (website and mobile apps) within three months of the Letter of Award (LOA).
- **Indian Railways Website/App**: The digital platforms managed by Indian Railways, distinct from IRCTC's platforms, where the chatbot solution must also be deployed.
- **Intellectual Property Rights (IPR)**: Legal rights over creations such as software code, dashboards, and data developed for IRCTC under the project, which are exclusively owned by IRCTC.
- **IRCTC**: Indian Railway Catering and Tourism Corporation Limited, a Government of India enterprise under the Ministry of Railways, responsible for e-ticketing, catering, and tourism services.
- **Lead Member**: The primary member of a consortium, holding at least 51% stake in the contract value and serving as the main point of contact for IRCTC.
- **Letter of Award (LOA)**: A formal document issued by IRCTC to the successful bidder, marking the start of technical integration and contract execution.
- **MEITY**: Ministry of Electronics and Information Technology, Government of India, which sets guidelines for cloud and data storage compliance that the bidder's infrastructure must adhere to.
- **Monthly Minimum Business Commitment**: The pro-rated portion of the Total Minimum Business Commitment (TMBC) that IRCTC will invoice monthly if actual revenue falls short, ensuring a guaranteed revenue stream.
- **MSE/Startup**: Micro, Small, and Medium Enterprises or startups registered with the Department of Industrial Policy and Promotion (DIPP), eligible for relaxed financial turnover and revenue generation criteria.
- **Non-Disclosure Agreement (NDA)**: A legal agreement between the bidder and IRCTC to protect confidential information, as specified in Annexure V of the tender.
- **Quality cum Cost Based Selection (QCBS)**: The evaluation method used to select the successful bidder, combining technical scores (70% weightage) and financial scores (30% weightage) to determine the highest composite score (H1).
- **Revenue Sharing**: The arrangement where revenue from e-ticket bookings (including a ₹10/- service fee per booking) and advertisements is split 70:30, with 70% to IRCTC and 30% to the Technology Service Provider.
- **RDS**: RDS is a Rolling Deposit System where in Rolling Deposit Accounts (RDS Account) are created in IRCTC ticketing system in the name of successful bidder

by IRCTC for depositing amount in advance to book IRCTC reserved rail e-tickets, as per requirement.

- **Security Deposit**: A deposit equal to 5% of the Annual Total Minimum Business Commitment, required from the successful bidder within 30 days of the LOA, to be held by IRCTC until contract completion.
- **Service Level Agreement (SLA)**: A contractual agreement defining performance metrics (e.g., system uptime, response time) and penalties for non-compliance, applicable during the operations phase.
- **Technical Bid**: The part of the bid containing the bidder's qualifications, technical proposal, and supporting documents, evaluated based on the technical scoring criteria to achieve a minimum of 80 marks.
- **Technology Service Provider (TSP)**: The successful bidder responsible for designing, developing, deploying, operating, and monetizing the AI-based chatbot and WhatsApp bot solutions for IRCTC.
- **Total Minimum Business Commitment (TMBC)**: The guaranteed revenue amount quoted by the bidder for IRCTC over the three-year contract period.
- **WhatsApp Bot**: A conversational interface integrated with WhatsApp Business API, providing similar functionalities as the chatbot, including ticket booking and enquiry services, with a verified IRCTC profile.
